

Roding Primary History Curriculum Overview 2024/2025

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Reception	Children learn about their own personal history by naming and describing members of their immediate family and community. Children develop an understanding of the past through settings, characters and events encountered in books read in class. They are taught to identify some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class. Some of these topics are revisited and studied more in depth during KS1, such as comparing transport past and present.
